All the tiles are up in Pops garden and the Main compound.=C2◆ Main compound is having 322 removed (all removed) and replaced, that=number included the small runner tiles, steps, etc. Pops had 25 tiles remo=ed and ready to be replaced. They started tiling this morning and ha=e laid 40 so far at the Main Compound so as long as they keep this pace we=should have 80 per day roughly. The courtyard will be a bit slower d=e to the number of cuts they will have to make. If they can lay 60 p=r day this will put us right on target for the 14th finish day (5.7 workin= days).

See=s as though the Tiling Work has been dismantled. I presume this work is fo=lwing the same concept that was done to the Master Drive Steps previously= My judgement is that I believe new steps will be filled in all Tiling spo=s that are currently missing.
