1. Origins Project LLC.. I want to get this and start soon.. can our people help?

2. I have purchased several web domains.. dreamerfiles.com and .org, .net.. for another web company I want to build.  
(I will also want to recruit a software engineer.. Do you know of anyone?\_

I wanted to purchase dreamfiles.com, which is far better, but it is \$2488 to purchase the name. Would you be willing to help with that, for equity in the company?

talk soon.

Lawrence
