The 307 is it's way to LSJ now. It just arrived=at the Red Hook barge ramp.

E=eryone is upset. Sherwayne was not informed of the pick up until thi= morning. He says Mike is who called him. I am confused because Mike=told you Monday for the 307 pickup.

Sherwayne says he told Mike he was already booked with other j=bs.

Boscoe is upset bec=use Sherwayne is late. And he tried calling Mike - no answer on the phone =r radio.

TGIF.

We presently have one mini excavator rented in addition to our own. There is consistent need for both on a regular basis between both islands=

The new 307 excavator is at tropical and will be delivered to LSJ on M=nday and as soon as it is ready for work the last rental will be returned.=br>
