Subject: Re: Interview with Michael Taft

Rich told me that I should already pay estimated taxes when I receive income. He wanted to bring this year's taxes in order for a few months ready for that reason.

But more importantly, not all money was relayed via Humanity Plus (some came directly from Gratitude America), which probably creates problems with the O visa (I can only receive grants via the organization sponsoring the visa), which means that we may have to figure out a solution before the year is over.

PS: Thank you very much for the Apple Watch!
