Dear Mr Kahn,

Just wanted to clarify the previous information. As you may remember, you were acting as a financial sponsor to me one year ago. The accounting department of the university told me that only you can retrieve the money due to the fact that you were the official financial sponsor.

Best regards,

Dear Mr Kahn,

The accounting department of GIHE has notified me that there is a certain amount of money left in my favor on the university account. If you wish to reimburse it, I have attached a form, which needs to be filled out, signed and sent back to the accounting department until 15th of December.

Best regards,
