Hey Bossman,

I wanted to talk to you today on GSJ about some disturbing rumors going around that may be true. I get really upset when I hear or see things like this happening in my face

[REDACTED] has agreed to fix Carlos boat "Calypso" in return for the use of his gifted boat from you. Carlos doesn't speak to me about LSJ. When I ask him questions about LSJ he says that I need to as [REDACTED]

Randy as well was told by [REDACTED] that they will fix and buy things needed for his new boat "Cenzia". Gifted to him by Brice after it suspiciously sank at AYH C-Dock.

Cenzia is in the water again even though they said it was no good and unreparable

Jules has been getting paid for weekends even though he doesn't work on all weekends. Jules is paying back his loan by being marked off as worked on Saturday's. No pictures of work being done by Jules on Saturday's

Karl Henry came to the office today to threaten us about going to Labor since he didn't get paid for his leave time. [REDACTED] told Karl that she was waiting on a decision from Jeffrey. Karl has been working on cars and hanging out at bars on St. Thomas

Anna
