Yes, by all means, say =ello to Nancy! My wife is still sad she couldn't be there in 2015 =s she was very sick at that moment, she would have loved to have met =ou guys and certainly Nancy next to whom she should have sit during the =how! But we're always in for a do-over, should you decide to hit =elgium, let us know! And I believe you could have some nice =opportunities in Europe, certainly with your =urriculum.

Stay strong,

Kristof

Hi! So good to hear from you. I very much =ppreciate the note. It has indeed been a difficult time, although Nancy =nd I are holding up. She is generally angrier than me that the =alse allegations largely proceed with impunity, and universities and =any colleagues are simply too intimidated right now to speak up, or act =ppropriately. But we are doing fine on the whole and I am =hinking about my future plans, which will definitely include Europe at =ome level. I plan to keep plugging away and hold my head high.. =nbsp;Thanks for the kind renewal of the invitation and the very kind =ote, which I will forward on to Nancy as well.

Hi Lawrence,
