Good =ay.

The main compound pool lights have been replaced and =re on line. New switches for them have also been installed. The new palm tree lights are not installed as yet and will be =ompleted by 11-30-18. Bryan's Electric did =ot make it out today but have rescheduled to be out this =onday. Between the election and this being a short =oliday week WAPA has been unresponsive with regard to the permit for =isconnect/reconnect. That will continue being pursued on =onday. The painters got to work today on the oil =oom cleaning and priming.

Good day.

We are currently getting a =isconnect/reconnect permit pulled with WAPA and once we have that, =cheduling can be done. I have contacted Bryan's Electric and =hey will be out tomorrow to review what needs to be done.

They have said the work can be done before the next holiday. = will let you know as soon as we have a scheduled date.

Good day.

Generators on GSJ are on island and =ill schedule with crane operator Thursday , he has been off island, to =ave them set in proper position and then a week to tie in.

Lsj generator #1 is on line with new voltage regulator and #2 =ill come on line Thursday. WAPA has been contacted =nd told that the switch replacement will be taking place within the =ext two weeks.
