Greetings =ich,

Karen has not =spoken to Dupson in God's knows how long. Now this week and today =he is asking him about his living arrangements, and she goes to =im to ask whether Dalce is needed, when Chris directly requested =im?

Dupson =oes not want any trouble. He is fully aware of the repercussions =hat are coming once Chris has returned to Florida. Chris is also =ware and probably decided to not make things worse.

This situation with them =s beyond toxic. By the way - Brice and Mike, I understand from =aren - are both on STT. So if heaven forbid something happens, =he is there by herself.

Let Chris finish this project and get back to his wife and =L. This is not his battle anymore.

Rich

I have just confirmed with Dupson whom is working right beside Chris that they are not requesting Dalce today or tomorrow

They have asked Jules to help, he is moving the palms right now

Dupson, Onel and Sheridan are confirmed by all parties to be working tomorrow
