Rich. Mike already knows about this but I'm =ending this to let you know that I've located a set of =eplacements for this and spares to follow. It's not safe to run =he barge on one pump cause if it fails we have no steering.

Mitch has the replacement set in hand and =s headed to fedex for transport to us. He's using my =redit card for expediency and I'll submit all this when it'= done.
