Hi Richard... as previously mentioned the client =efore you has gone forward to build their 65' sailing =atamaran. We've received the contract and balance of deposit. =he available construction slot for your vessel would now be a Nov 2019 =art of construction with a completion date of May 2020. We appreciate =hat is a long time to wait. If that is acceptable we'll start =he design process. If not please advise me via email and we will return =he full amount of the deposit.

Hi Carlos... In the last two days the client in front of you has asked for a price and contract. I'll complete that tomorrow. If they go forward I'll communicate the new construction schedule available to LSJE. If the timeline is acceptable to LSJE we'll proceed with the design. If the wait is too long, at LSJE's option we'd send back the \$10K or move forward on the design.
