Good =ay.

We are currently getting a disconnect/reconnect =ermit pulled with WAPA and once we have that, scheduling can be done. I =ave contacted Bryan's Electric and they will be out tomorrow to =view what needs to be done. They have said the =ork can be done before the next holiday. I will let you know as soon as =e have a scheduled date.

Good day.

Generators on GSJ are on island and will schedule with crane =operator Thursday , he has been off island, to have them set in proper =osition and then a week to tie in.

Lsj generator =1 is on line with new voltage regulator and #2 will come on line =hursday.

WAPA has been contacted and told that the =witch replacement will be taking place within the next two =eeks.
