I don't have to argue with me, if you are confident and to avoid trouble I'm not getting paid. Why wouldn't you send me out of an abundance of caution I am notifying you. etc. If you are going to try to file a grievance you need to be clean

Where does he say I am a danger to campus life? If I missed that, it is important. I see just that I am not representing the University, and also that there is no acknowledgement of wrongdoing.

ok, but they can cancel paying you. as leave says you are a danger to campus life . . if you think you are in the right , then lay it out.

doing that would indicate that I think it is justified for me to let him know I am on campus.. I already let him know I will be back from time to time and he didn't send me a note to indicate he thought it was necessary for me to let him know.. but thanks.. if they arrest me, all the better.. writing from my office on campus.
