Subject: Re: Life Hotel

I know you said you are working on the sale of the hotel --but you have not sent the requested information  
I would assume you need no longer then a few more weeks for sale information to be gathered-  
We will then need the attached open items to be Resolved and completed= although we do not understand why  
Geoffery can not complete the items due=from his records

Hi Steve,

Attached is the updated document request schedule wh=ch still has open items after many requests.  
Let me know if you woul= like me to send the list or if you would prefer to send it.

Thank you,

Maryann
