Jeff,

I get 70 legal issues mails a day and I have at least two legal submissions a day to deal with in multiple=law suits dealing with at least 7 different lawfirms in 5 different jurisdictions and involved in 5 bankruptcies and some debt negotiations at the same time= I simply do not have time for more and your requests for time to talk cam= last in the priority on that day. Sorry about this.

To be blunt about it. I do not =ave “unfinished” business right now. I am in trouble and part of the trouble is agreeing to the proposal of clearing out the apartment at an amount equal to less than half its value.

It is in danger of being challenged and that is my main worry.

Terje got the apartment at nok =4 mill or less than half its value and was able to fully finance it in Norway at 14 mill and he should be very pleased. </=>

I was under no legal obligation=to help out and I did and I am expecting nothing but shit from it all - and shit I got and probably will get.

Morits
