I know how difficult. and cant imagine the str=ss. but it is business and not your health. =A0 you will, i feel confident . get through it , =C2 I m cheering for you. The unfinished biz is =ith me. not terje, you asked me 4m kr=n the financing with nordea I arranged with detail= it appears unknown to you . I gave it to him. this has nothi=g at all to do with values etc. you made a clear agreement wi=h me. so that is why I am surprised. =C2 I have never had a strong word with you. re your p=oblems, if i can help i would and still will . ke=ping fully in mind an agreement with me is an agreement . =A0 sorry . On another note. =C2 I am only familiar with us bankruptcy law. where it is really = protection for an ongoing biz. you will become an=expert in bankruptcy and then we can start a new biz

Jeff,

I get 70 legal issues mails a d=y and I have at least two legal submissions a day to deal with in multiple=law suits dealing with at least 7 different lawfirms in 5 different jurisd=cions and involved in 5 bankruptcies and some debt negotiations at the same time= I simply do not have time for more and your requests for time to talk cam= last in the priority on that day. Sorry about this.

To be blunt about it. I do not =ave “unfinished” business right now. I am in trouble and p=rt of the trouble is agreeing to the proposal of clearing out the apartmen= at an amount equal to less than half its value.

It is in danger of being challe=ged and that is my main worry.

Terje got the apartment at nok =4 mill or less than half its value and was able to fully finance it in Nor=ea at 14 mill and he should be very pleased. </=>

I was under no legal obligation=to help out and I did and I am expecting nothing but shit from it all - an= shit I got and probably will get.

Morits
