In 2017, only 2.2% o= venture capital went to female founded startups. WE are going to change t=at!

On November 27th, WE Talks is holding its =irst WE Pitch <<https://wetalks.us18.list-manage.com/track/click?u=6a164031eb730063dfbb7f1a0&id=4022839ccc&e=fddad1e8b3>> , a fun, exciting evening for ambitious female entrepreneurs to showcase their startups in front of a supportive audience and a judge panel of preeminent investors. All finalists will connect with world class investors, g=t media exposure and feedback.

WE Talks was founded with a =ission of providing ambitious corporate and entrepreneurial women with a safe and supportive environment. So WE Pitch will NOT be Shark Tank. <=span>

We're going to have = blast, and so will you! The best part: no bros are allowed to pitch.
