Dear Jeffrey, I would like to hire a car for my remaining =eek in Cape Town. (I was driving my moms up until now) I was wondering whe=her it may be ok to put on my Amex. I have checked the prices, for a simpl= automatic it is \$280 (R3900) for the week and for a manual (stick shift) =t is \$180 (R2600). Would it be possible to use my Amex ( there is a limit =f \$ 2k per month on it, it would fall in this amount) And I completely=respect if you prefer that I don't xxx
