Good. Had a scare with my prostate but bio=sy was negative. Blew out the disks at C5-6 and 6-7 in my neck but have suc=essfully avoided surgery so far so I am well overall. You?

After communicatin= with you I bought 2000 shares Apple at 148 and sold it on the first dip at=207. It is 179 today. Is it a good time to buy or is the tech stock d=ve still not thru shaking out?

Hope you have nice T=anksgiving plans. Call me when you're in town
