have not followed how are you

On Tue, Nov 20, 2018 at 11:26 AM Stephen Alexander <[REDACTED]> <mailto:[REDACTED]> > wrote=

After communicating with you I bought 2000 shares Apple at 148 and sold it on the first dip at 207. It is 179 today. Is it a good time to buy or is the tech stock dive still not thru shaking out?

Hope you have nice Thanksgiving plans. Call me when you're in town
