Good Morning

I spoke to Patrick Cena (Boat Captain) wh=m you offered to pay a \$6,000.00 bonus which would cover his taxes. With a=review in Jan 2019

Patrick requested that I forwa=d the following:

He would like to thank you very =uch for your offer

Patrick has estimated his taxe= for 2018 - \$6,483.00 Bonus would be taxable income, to gross up=\$6,000.00 so that Patrick clears \$6,000 to apply toward his taxes is \$8,25=.00

To gross up Patrick's taxes if Mr. Epstei= wanted to cover all his taxes - \$8,917.00

Patric= is asking if Mr. Epstein to round the bonus to \$10,000

Patrick would also like to ask Mr. Epstein to take into account that=he has proven himself to be a reliable, experienced captain, he would like=to become an employee in Jan 2019, requesting a salary of \$50,000

Please advise how you wish to proceed

Thank you=C2

Warmest regards

Karen
