I was out of the office today, so I did not sit down with jay regarding schedule.

The glue was just applied 24 hrs ago. Normally takes about 48-72 hrs to completely cure (zero smell)

Best Regards,

Eric

we can organize the new fabric, the cushion was great . but the glue smell was overwhelming no biggy we tried. I think we now add foam to the arms , cut out a place for the sub to fire through. . make pillows or i can buy , re do table pulls and remake stools. . we have not found a curtain solution. . all good though. does thx giving week not work?
