Email draft:
Good evening boss

I alerted VIYA to investigate the loss of service. I am concerned however as=to why I was only notified this evening that there was an issue. I heard n=thing about the lack of service from ████████ on Friday, Saturday, or=Sunday.

I did as you requested and checked the wifi and phones before you were sched=led to fly in but, if something is wrong after I leave, I need to be alert=d ASAP.
