Cab=es have such low impacts we can bring them in just about anywhere. T=ings are finally moving and I think we should get the first rounds of ques=ions from the feds pretty soon, and when we do we make the changes. = like the xmas cove dock, its really the best landing site, its safe prote=ted and has deep water offshore. The only negative is the public use...but its you= island.

<=div>

I think its a g=od idea to have the engineers really address the storm issues...I think we=#39;ll be in for more sooner than we like.
