AT&T hasn't finished their side of the work to support dual SIM yet. Once they do, we can move your US number to the eSIM in your phone and put the FRIM in the tray.

New 12.9-inch iPad Pro comes in Silver or Space Gray, and 64GB, 256GB, 512GB or 1TB (the largest size would mean you'd never have to erase movies again).

Do you plug the iPad in anywhere other than for charging? Headphones? TVs? (We'll need all new adapters.)

Also, this app made me think of you:

Microsoft Whiteboard
