Dear Jeffery,

Hope you are well.

Please don't worry, we have answers for all your concerns. So no need to jump into conclusions without explaining to you our point of view.

I would like to request a meeting with you in person in LSJ and I will get with me all the supporting documentation and drawings where it clarifies and answers all your points and concerns.

set backs ? fifty feet from water. height restrictions? . hurrican zone. . the topography , does not allow the project that your drawings propose. . I have had the local people. that have said some of the building is OVER the cliffs. please feel free to go whenever you like so you can see for yourself . assaiy will meet you there to help. if you choose. I feel badly as i know you are on holiiday with your family. ? so no rush. but it is very problematic. in many regards. thx for your understanding. . also remember i need to store fuel. fuel trucks. ? tree trucks. ? heavy caterpillar backhoes. etc. that go back to stthomas OFTEN .
