Thanks.. these are good points.. re=the use of funds.. they have allowed me to use my funds to go to the=University to carry out tasks, like cleaning my office, meeting with commi=tee members, even during the period of administrative leave.. I will ask for compensatory damages. Shou=d I indicate what damages? If so, funds to meet with and obtain mate=ials from those who I have been forbidden from meeting, funds to access in=ormation that I have not been able to access by being at the University wh=n I have wanted to be there.. Anything else?

I will emp=asize the pack and ship thing more strongly.
