Hi.. when Justin and I said goodbye, he said they would simply take the \$10K I owe out of the retainer and whatever I have in their acct left when they do the billing at the end of the month.. So, I understand why you want to pay them directly.. here is the payment link.. and it should be done now, before the end of the month.. I suppose for billing information you do:

Lawrence Krauss, [REDACTED] and then put in your credit card..

If that doesn't work, let me know. Thank you.
