Thanks.. these are good points.. re the use of =unds.. they have allowed me to use my funds to go to the =niversity to carry out tasks, like cleaning my office, meeting with =ommittee members, even during the period of administrative leave.. =nbsp;Thus, while I will not ask for funds to attend outside meetings, =hich I agree may make it appear that I represent the University, I will =sk that they allow me to use funds to return to the University, as they =ave in the period since July 31. I will ask for =ompensatory damages. Should I indicate what damages? If so, =unds to meet with and obtain materials from those who I have been =orbidden from meeting, funds to access information that I have not been =ble to access by being at the University when I have wanted to be =here.. Anything else?

I will emphasize the pack and ship thing more =trongly.
