30'x35' or 35'x40'? Once I get the size nailed down I can get a price put together and get rolling on this.

Bigger

Here is a sketch I made with the same dimensions as Cabana 1. Front door is open to the water. Stone walls to match the other building on pebble beach. I added in a stone feature ( doesn't have to be operational) to make it seem more authentic. If you don't like it I'll remove it. Do you want a hin tile roof on there? Here is a picture of what I thought of.
