1. it will take about 1 month to change the =ood.
2. If you order new car, I think you don't need Night Vision Plus code 610 for 2700€ (it outside the illuminated cities)

Best wishes,

Hi Michael,

1. How long it will take to replace wood in the car currently at your dealership
2. You mentioned that you would recommend to eliminate in the new order some features that Mr Epstein is not using, please provide a list and how much will it save.

Thank you,

Bella
