Hi =effrey. [REDACTED] and I have been invited to an interesting dinner [REDACTED] and we are both feeling like we need to get away.. so I =m looking into this.. I have a question.. no idea how you feel about =his.. but if you are not there, might it be possible to stay at your =lace there? I don't know anything about it, or whether =ou even consider these things, but I thought I would ask before I =ooked into other options. No worries either way.
