Yesterd=y I submitted, and the University accepted, my request to retire from my position as Professor at ASU, on May 16,=2019. The University has now fully closed its review process. My choice to retire at this time is dictated by the draconian regulations of the Arizona Boa=d of Regents, under which I would have only been allowed to actually confront and t=st the veracity of my accusers AFTER I would agree to be dismissed a= opposed to being allowed to retire.

To be c=ear, I have never harassed or assaulted anyone and have most certainly not exhibited gender bias in my professional dealings at the University or elsewhere. Based on =hat has been reported to me by the University, none of my students, departmental staff, faculty colleagues, research colleagues and postdoctoral fellows, or pa=icipants in the Origins events I led over the past decade at ASU, has ever issued an= allegations or complaints to the University regarding my behavior.
