That's fine. Just to be =lear, I am not going to review this, because you're not asking =e to. So if they consider it disparagement and go after you, I want to =e clear that I did not bless this. I just want to make sure that is =ery clear.

I have gone through the 6 pages I intended =o, to suggest 3 redactions. I am forwarding here for your =nformation, but I intend to send them to Kim and Cynthia today from the =ir.. They can reject them but at least I alerted them. I want to get this =o them today to show that I am not trying to delay their work at all. =nbsp;:))

Justin, once again, forwarding this to you too for =ompleteness in case they contact you with questions, but at this point =o action required.. Since you told them they could deal with me =n this, presumably they will.

I have extracted the 5 pages out so that the files are =ess unwieldy.. the original file was 15.9 meg and I am on a =lane.. Each page that has a redaction as crossouts over =he words and a sticky note with explanation. Let me know if you cannot see that.
