Hi Larry,

Thanks for the feedback.
Not sure I understand the sudden change of heart towards the aircraft.=nbsp;

Love to discuss if you can so we can understand your concerns.=br> We are confident in a quick US C of A applicability and the fuel mitigation solution as discussed has a easy , relatively cheap solution.

Let me know when you can chat.

Love to discuss if you can so we can understand your concerns.

We are confident in a quick US C of A applicability and the fuel mitigation solution as discussed=has a easy , relatively cheap solution.

Th= other points you requested info on as options / preference are also not major.

Let me know when you can chat.
