That's fine. Just to be clear, I am not going to review this, because you're not asking me to. So if they consider it disparagement and go after you, I want to be clear that I did not bless this. I just want to make sure that is very clear.

Justin, once again, forwarding this to you too for completeness in case they contact you with questions, but at this point no action required.. Since you told them they could deal with me on this, presumably they will.

I have extracted the 5 pages out so that the files are less unwieldy.. the original file was 15.9 meg and I am on a plane..  
&nb=; Each page that has a redaction as crossouts over the words and a sticky note with explanation. Let me know if you cannot see that.
