He is also second =uessing if they could even enter into a second contract.

That being=said he admits he is thinking out loud and he will leave the decision to h=s client in the morning.

Ben is fully anticipating the buyers repre=ative to try and "give him the salami" on Friday and what he re=llly prefers is that we work together to compose a proper backup LOI detail=ng exactly what we will require with respect to a pre-purchase inspection =cope and location, and how fast we could close. This will give his c=ient the confidence they need to move the deal to us.

If you want to =all me at any time this evening to discuss this please do not hesitate, ot=erwise lets discuss this in the morning
