I didn't get Liaigre...I will post her response below. Just want to t=ank you for your support and advice and kindness and generosity during the p=ocess ❤

Dear ████,

Thank you for both of your emails.

It was lovely to meet you. It is wonderful that you have the experience with=us and know our products so well.

Unfortunately, the London business is too small to be able to accommodate a r=le such as yours. My immediate needs are more geared towards a commercial r=le.

I wish you good luck in your job search and stay in touch.

Kind regards
Asli
