I don't know what you are taking ab=ut. All I did was try and keep their name out of the contract. If we had j k=pt it in we could have kept the original language. And buzzfeed would have p=blished their name anyway. Anyway I don't want to argue about=it. Can we still create the nonprofit as we agreed and then ask them a=d others (after a suitable cooking off period). At this point it is all I h=ve.
