Jeffrey

I not sure if Rich Mentioned to you,, instead of the $12k return cost of the=DU Display Controller on the 550 last month, it cost us $8k.

Pete came up with an idea, he hired Meridian to Tag the DU Unit with an serv=ceable tag, since they are a repair station. we installed the unit and prov=d it was functional, the seller agreed to charge us $8k for the return.

Saving $4k

Just FYI

Thx
Larry
