**Subject:** Steam room light fixture

Hi =ir,

Just to let you know, I'm still working on =etting a light fixture for the steam room. Do you want it circular like =he one we have there now or it can be any shape?

I also attached a link for you to browse and see if you find =omething that you like.

<http://www.waclighting.com/search/product?m=Wallmount%20for%2=wet%20locations>

Thank you

=
