Jeffrey..I was in London for the weekend working. So sorry I did n=t forward this immediately to Andres.

Andres should be cced on my emails for the invites. You are always welco=e to every screening we do...and
Andres can immediately send invites to you=

We never know when you are in town. If Lesley can give Andres a heads up=before you get into town....then
Andres can send the invites earlier. =

I am back at 2 East 70th St. at Annette Tapert's apartment for a f=w months while the new contractors finish my
apartment. =u>

The will of the dead lady next door is still in probate. I am finishing m= apartment.

The board is offering only me that apartment....they don't want=anyone else in the building and do not want to deal with the board interview=s.

I think the apartment next door is in deplorable condition and undesirab=e to anyone. The value of a one bedroom on the forth floor in the ba=k is really not worth much...even off Park. The upper East Side (except for top buildings and top town houses) is not w=at it used to be....and that apartment is only valuable to me to combine an= have half a floor and a three bedrooms, etc. So I will finish my apt. and s=e if I can get the apt next door for a really good deal.

The new plans are making my living room a large bedroom with a fireplace= the original bedroom a dressing room, enlarging my bathroom and making the=second bedroom a library/tv room.

So I will live in every inch of the apartment...if I get the place next d=or I can have double space to entertain if I want to get into that.<=>

Would love to see you. I am a block away.

xoxo Peg
