Jeffrey

Farmingdale (Republic) airport would work, the runway typically in use is 6833'x150' long, the other is 5516'x150'. Driving distance Farmingdale to NYC 30 miles. Driving distance Teterboro to NYC 10 miles.

Doesn't matter to me, I think Teterboro would be equally fast for a quick turn around, at Meridian FBO in TEB., &nbsp;; Do you want to try Farmingdale?

Thx  
Larry

=For planning purposes:

Should I plan to take the G550 to Islip / Eric Monday evening after we drop you off in Teterboro?

Thx  
Larry
