I was in the city today, but spoke to jay. We do not have enough veneer for the fwd door in one piece. We can take care of a bunch of the smaller items. We do not have any more of the divan fabric and we used the last of that dye lot. I had my office request a dye lot cutting of what's available and we will have it on Monday (coming from the UK). If the dye lot is good, we may be able to get in time to make up the pillows before potential departure. Extending The arms can not be done at this time and we first need to see the new dye lot.

Best Regards,

Eric
