You =ave been more help than anyone else, and have taken more of =our own time to help me than anyone else.
= Thank you. I am sorry I have disappointed you so. I am devastated about the \$1M too.. which would =ave jump started the new projects..

Spoke to Justin earlier, btw (He called =e from the airport to touch base) and we basically agreed that he =hould end representing me, but I told him I would =hink about it and let him know tomorrow. You saw that his bill =s just under \$10K for this month..

University released Provost's =etermination letter, with its old determinations that I provided =vidence demonstrating was false...and retirement letter and contract =oday.. Reporter contacted me already. I have steered the =onversation to the 45 page appeal document from August.. I =on't think the University will release that. I am working =n a redacted version in case I am allowed to release it.

Btw.. last thing Justin =aid is that since I am talking directly to Kim, there is no need to =espond to her note to Justin, as she could bring that up with me if she =ants..

I =aven't cc'd you on any of the correspondence with Kim =oday as I figured you had had enough of the whole =hing..

No=matter what, thank you.
