Greetings Mr. Hillin,

I am happy to report that the second backend arrived on St. Thomas this morning. We pre-cleared it, so we should be picking it up tomorrow or Friday, once I have confirmation it is off of the vessel and in the warehouse at the port.

In anticipation of the 2 generators shipping out next week (10/8 according to your 9/18 email), can you prep the invoice(s)? If you can add the "Manufactured in Brazil" on the invoice that would be great.

Thank you and kind regards, Daphne
