Good Afternoon

Patrick (boat captain) is requesting to become an employee, he is looking for a salary of \$50,000. At present Patrick is earning [REDACTED]. You may remember we had mentioned he would be a good employee.

The issue we have is Randy whom has been with the company since [REDACTED]

C'Quan (boatmaster/captain) was offered a good position on St Thomas, leaving only Randy & Patrick, Sheridan has been helping with boat runs, but this is not ideal, a short term fix

We have 2 open boat captain positions, planning to have at least one filled by the end of next week. All would be contractors, with a review after 3 months. We have interviewed 2 boat captains and have 2 more interviews scheduled for next week, noting all are asking between [REDACTED]

Please advise on how you wish to proceed in reference to Patrick. Thank you. Warmest regards [REDACTED]
