Subject: Accommodation

May I stay in the same building I am in now for a week or =wo while I continue to look at other places. (I would move to a different=studio unit within the building which is run by better agents whom I have =et)

Also not sure what to do because the only way I can=do a normal lease is by paying 6 months upfront. But continuing with short=term leases seems to make everything around 40%more it seems?
