'The Science of Consciousness'=Conference - April 2-7, 2018

Loews Ventana Canyon Resort - Tucson, Arizona

The Science of Consciousness ('TSC') is an interdisciplinary conference emphasizing broad and rigorous approaches to all aspects of the study and understanding of conscious awareness. Topical areas include neuroscience, philosophy, psychology, biology, quantum physics, meditation, altered states, machine consciousness, the nature of reality, culture, and experiential phenomenology.

Held annually since 1994, the conference is hosted by the Center for Consciousness Studies at the University of Arizona, and alternates yearly between Tucson, Arizona and various locations around the world. Information and video from the 2017 TSC&nbsp;conference in San Diego may be found at these sites</span>
