That is a presentational issue with the software. It is "Totals to Sch., E, Ln 29. \$4,107,122". I already spoke with REM on this, who spoke to the software provider and advised they could not change the presentation. That said, it should be clear to anyone looking at the return that it is referencing line 29. Additionally, sum of the column is clearly \$4,107,122.

Statement 382 is a pass through reportable transaction from Apollo Soma Co-Investors, LLC. I have reported our allocable share, as reported on the K-1s issued to us and as reported to the IRS.

potentially odd juxtaposition - total for passive loss column on  
> statement 50 says \$294,107,122. It is really \$4,107,122, with the "29"

stmt 382 - why would cost not be "qualifying basis" for purposes of
